

Feeding Children and Adults Displaced by Hurricane

**Missouri Department of Health and Senior Services
Child and Adult Care Food Program**

The Child and Adult Care Food Program (CACFP) provides funds to temporary emergency shelters established to house and feed evacuees from the Hurricane Katrina devastated areas of the country. Temporary shelters are eligible to receive reimbursement of up to \$6.26/day for each eligible participant. The shelter must be a public or private non-profit institution.

Meals provided to the following individuals in a group setting are eligible for reimbursement:

- Children age 0 through 18,
- Disabled individuals of any age,
- Functionally impaired adults, and
- Older adults age 60 and above.

Temporary shelters may be reimbursed for up to three meals per day (breakfast, lunch, supper) or for two meals and one snack. The current rates of reimbursement are:

Breakfast - \$1.27

Lunch / Supper - \$2.495

Snack - \$0.63

CACFP is funded by the U.S. Department of Agriculture and administered by the Missouri Department of Health and Senior Services (MDHSS). MDHSS will take applications over the phone.
